"We report that the crew is physically unhurt in the accident. Viral on social media mentions the western page Java Tribune, on its Instagram page, explained Rettefa, the accident occurred as he was sleeping in the room. They had Hit the gate before being looked at the alley "The house was robbed by three men at 1:00 pm, the location at home was only me with Mamah in their respective rooms," wrote the student who has familiarized ABIT in its loading. Previously, the accident was reported as a case of robbery. DHL has deeply confirmed a statement to insider that his plane Boeing 757-200 with the number of JOS2716 was indeed damaged during landing at the airport of Costa Rika. READ ALSO: Boeing 757 Delta Airlines Cockpit Glass Cracks, the aircraft made an emergency landing "We are coordinating with the airport authority to move the plane from the area near the track," He added. According to the Guardian, there were about 8,500 passengers and 57 commercial flights and goods T Erkena the impact of the airport closure, which was reopened five hours after the accident. A member of the crew suffered a medical examination as a precautionary action ", wrote a DHL spokesperson. Also read: China Spirit that makes hyperonic aircraft, Shanghai-New York flights only 2 hours Luis Miranda Munoz, deputy director of the authority Civil Aviation Costa Rika, stated that the plane towards Guatemala but failed in its hydraulic system. However, later it was known that violence has been triggered by the problem of debt accounts. Responsible for police public relations By Jogja AKP Timbang Sasana Raharja said his party would still have checked his viral video group. "Still checked," Timbul said. Timbul said so far he had not received a relationship. In videos that have been widely spread, showing it by showing it Slipping along the catwalk, slipped and turn, then stop. When it stops, the body of the plane seemed to be destroyed in two separate parts between the body and the tail, as reported by an employee. The police intervened the truth. DHL also told the insider that the track was reopened and the airport operations continued. Another video of the scene showed a plane that was watered by the water by the firefighters. A Cargo DHL plane was divided into two after slipping from the track. Loading is therefore viral on social media. The pilot asked to return and make an emergency landing after traveling for 35 miles, according to the Guardian. Seconds of violence were recorded by the victim. The accident was held on Thursday (7/4/2022) yesterday at Juan Santa Maria International Airport, Costa Rica. See photos of the Jabar/Sidqi tribun at Ghifarisolihati Nurzana and Refda Abidah while interviewed by Tribunjabar.id in the Their residence Thursday (24/10/2022) a 6 Tribunnews.com - A student with his mother was held and persecuted by three men in Garut Regency, West Java, Wednesday (23/03/2022). It was not able to ascertain whether it is a criminal event or not: 26 See photos of Flickr / Lkarasawailation of the Aircraft of ownership of the company Dhlā 6 Tribuntravel.com - a cargo dhl plane was divided into two after being slipped from the catwalk. Alkyd (Njero Beteng Kraton Jogja) '. Not only that, the account also uploaded 3 pieces video. In that video, two people were driving The white bike enters the alley. Jakarta - Videos that are narrated by presumably Klithih perpetrators on the road Godea for Tamansari, Keraton, Yogyakarta, viral on social media. The student was named Refda Abidah (19), a resident of Ciroyom, Samarang district, Garut Regency. (Twitter / @ FL360Aero) Watch the videos here. here.
